English

# Online resources guide

# Cambridge Pathfinder

Would you like to access Cambridge resources **all in one place**? What if they are **categorised by topic**? Are you looking for ideas to reinvent your classroom, while keeping yourself and students engaged with language learning?

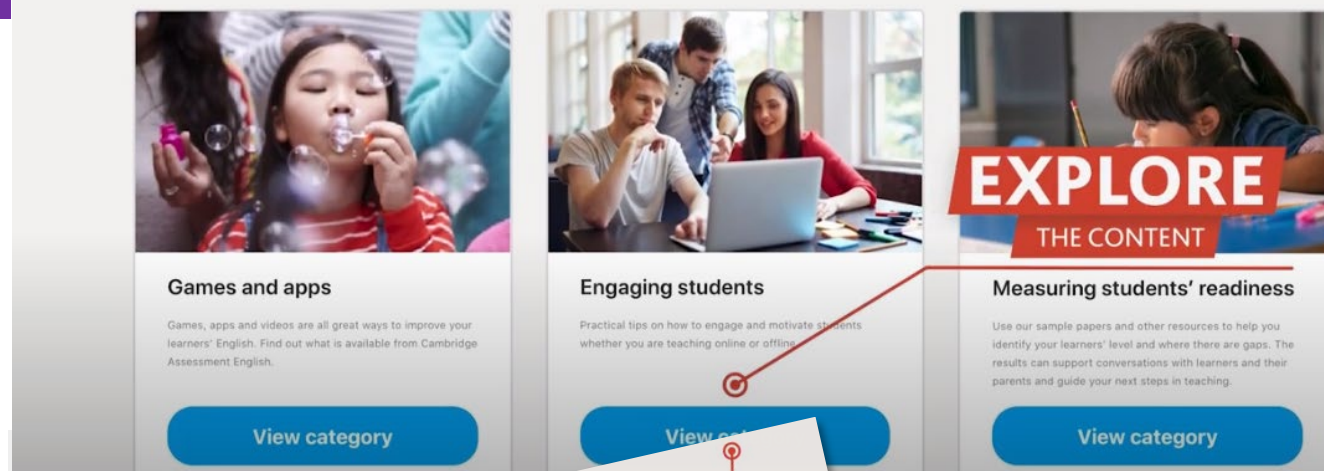

To help you on this journey, we have created the **Cambridge Pathfinder**, an invitation to explore different aspects of teaching, learning and assessment through Cambridge free resources.

**23 categories & +500 resources: videos, PDFs downloadable files, webinars and more!**

This is a free and exclusive experience for *English Teachers* working in our preparation centres across Latin America. [Learn more](#) and start your journey now!

**These are the suggested categories based on your responses.**

Click "view category" to access each section. To see the complete list, click "All categories" in the top bar.

# Write & Improve

[Write & Improve](#) is a free tool developed by the University of Cambridge that helps every learner to improve their English writing.

Encourage your students to improve their writing independently by using the tool's instant automatic feedback and hints on important areas to focus on. Choose from more than 250 free tasks at all levels or create your own. Results are linked to the CEFR.

Write & Improve +Class View helps you create, mark and manage more writing practice without adding to your workload.

Visit <https://writeandimprove.com/>

Watch [this webinar](#) to learn how to help your students improve their writing skills with Write & Improve.

# Weekly

Weekly is the free exam preparation planner for teachers. Save time and effort and let Cambridge English create your free, personalised exam preparation plans, with additional teacher support.

Build your personalized plan following these steps:

- Choose which Cambridge English Qualification you would like to build a plan for.
- Tell us how many weeks you have for exam preparation with your class.
- Tell us how much time per week you would like to spend on exam preparation.

Visit <https://weekly.cambridgeenglish.org/>

Watch [this webinar](#) to learn how to take the stress out of lesson planning with Weekly

# Kahoot!

Kahoots are fun, interactive games to help learners practise their English and build their language skills. Our free Kahoots include music and images to engage young learners and make learning exciting and enjoyable.

Kahoots can be used on desktop computers, tablets or smartphones, and give teachers the flexibility to use them in online lessons, in face-to-face classrooms, or at home.

We have Kahoots for Pre-A1, A1 and A2 levels.

Visit <https://www.cambridgeenglish.org/teaching-english/resources-for-teachers/kahoot/>

Watch [this webinar](#) to explore how you can make the most of kahoots in your online (or face-to-face) English lessons

Kahoots for young learners

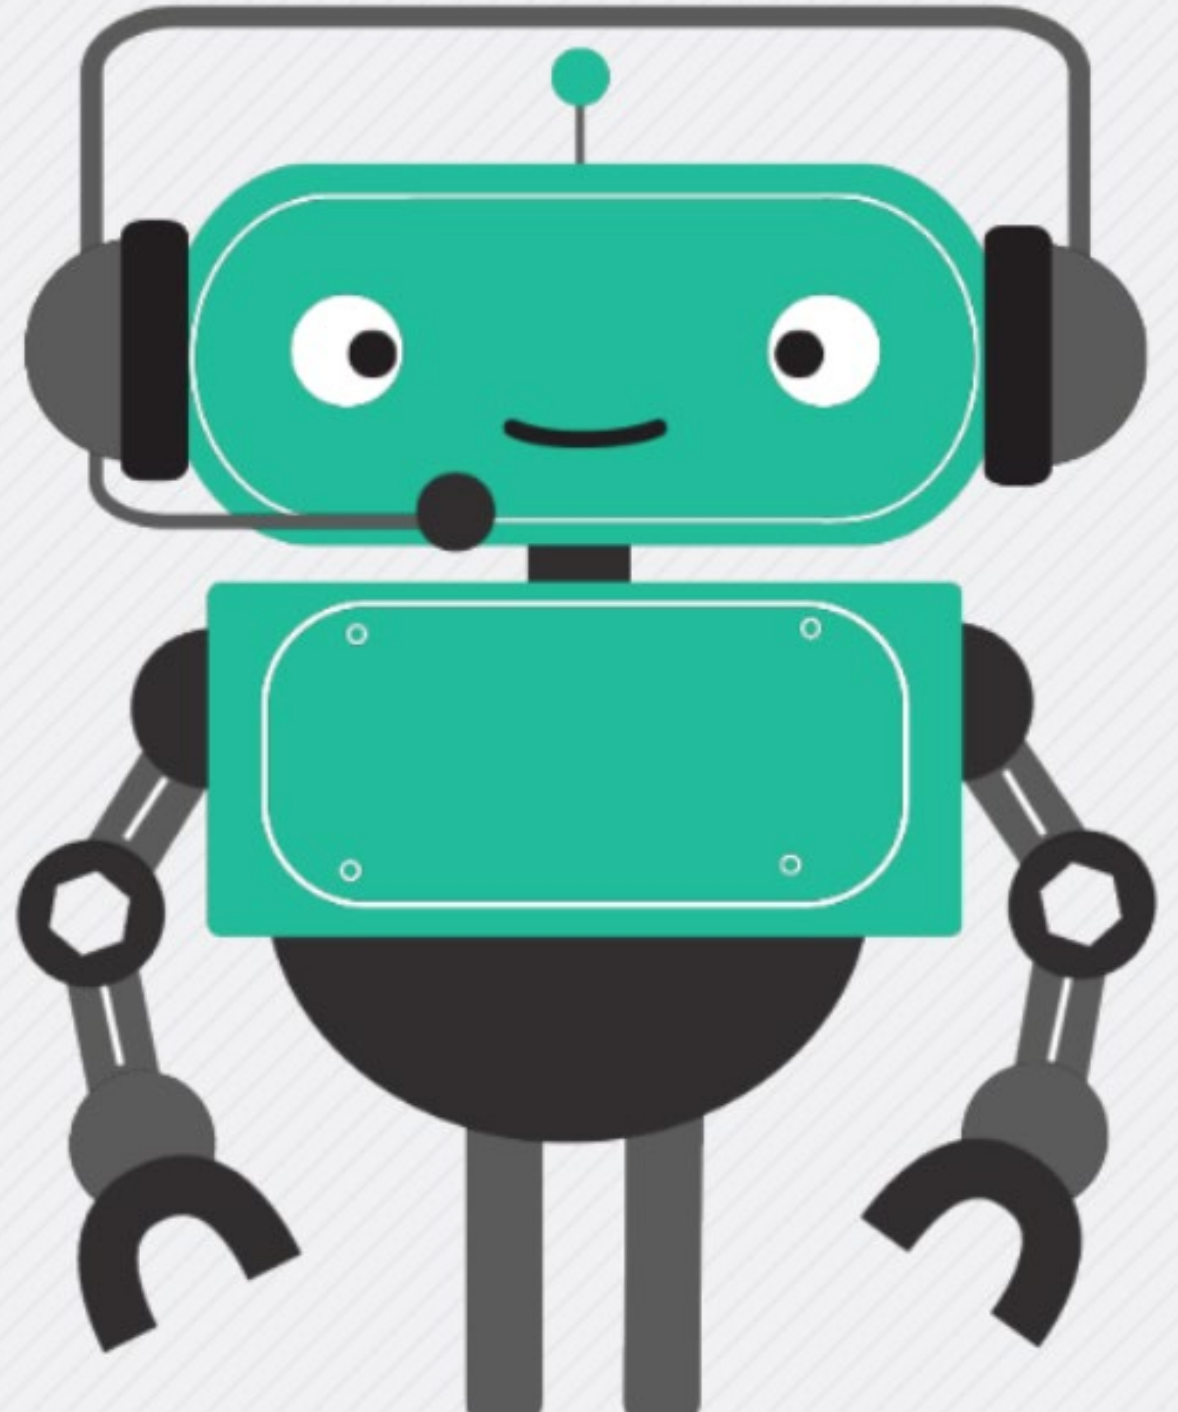

# Speak & Improve

Speak & Improve is a research project from the University of Cambridge. It's free!

Students will talk to our speech robot, Sandi, who will ask them some questions. Afterwards, Sandi will give them a grade on the CEFR scale for their speaking.

This can help them understand their speaking ability for work, study, exams or just for fun.

Visit <https://speakandimprove.com/> to start using it!

# Exam Lift

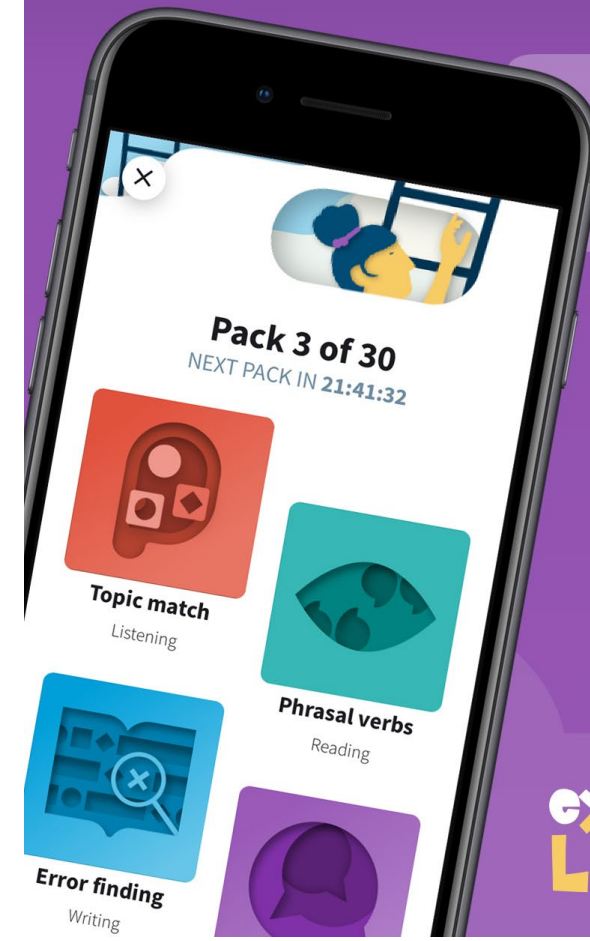

[Exam Lift](#) is a new series of free mobile apps which help to prepare for A2 Key for Schools and B1 Preliminary for Schools exams. Each app includes daily activities that encourage students to practise English in all four language skills. Available for iOS and Android.

What are the benefits?

- Fun daily activities including exam practice
- Instant feedback on your performance and quickly improve your skills
- Learn English on the go – anytime and anywhere
- Content developed by Cambridge Assessment English

Watch [this presentation](#) to learn more about Exam Lift and take your lessons to the next level!

# Our new game in Minecraft

English Adventures with Cambridge, created by Cambridge Assessment English in collaboration with **Minecraft: Education Edition**, provides a new, fun, motivating and memorable learning experience.

English Adventures with Cambridge is a free and safe environment for children of all ages to practise their English at level A1 and above. Children meet new characters, solve puzzles, use their English and unlock rewards in this unique English-language world.

Visit [the official website](#) and learn more at this [recorded webinar](#)

# MOOC: Teaching English Online

Join our free course [Teaching English Online](https://www.futurelearn.com/courses/online-tutoring) to find out about the skills, knowledge, digital tools and resources you need to design and deliver effective online English lessons.

Gain insights from online teachers, trainers and learners and share ideas with other course participants.

This course will help you better understand how to adapt your face-to-face teaching skills to an online environment.

Visit <https://www.futurelearn.com/courses/online-tutoring> and enroll for free!

**This award-winning course has a 4.9 stars average reviews with more than 267,000 teachers joining**

# Your New English classroom

No matter where you are, or what your classroom looks like, we have the right support for you to help you prepare and feel confident for your return to class.

In the [New English classroom website](https://www.cambridgeenglish.org/latam/your-new-classroom/), you will find advice and activities for your return to class, covering the following topics:

- The socially distanced classroom
- Emotional support for learners
- Going back to the classroom
- Understanding learners' levels
- Teaching English online

Find out more in:

<https://www.cambridgeenglish.org/latam/your-new-classroom/>

# Candidate booklets

Help learners feel prepared, confident and ready for their exams with our Information for candidates' booklets for B2 First, B2 First for Schools, C1 Advanced and C2 Proficiency students.

Each booklet is filled with useful information, from study tips and frequently asked questions about the exams, to top tips for exam day and an explanation of your learners' scores.

[B2 First](#)

[B2 First for Schools](#)

[C1 Advanced](#)

[C2 Proficiency](#)

# Assessing Writing guides for Cambridge English Qualifications

Just like official examiners, teachers also spend many hours evaluating learners' writing. These guides are for you. With lots of practical tips, techniques and real examples, they will help you develop and assess learners' writing skills in preparation for the following Cambridge English exams:

[A2 Key for Schools guide](#)

[B1 Preliminary for Schools guide](#)

[B2 First for Schools guide](#)

[C1 Advanced guide](#)

[C2 Proficiency guide](#)

# Supporting young learners with dyslexia: A guide for teachers

The Teacher Guides explore a variety of approaches to help teachers better understand their learners' preferences and needs and offer comprehensive lesson plans to support learners with dyslexia in preparing for the Reading, Writing, Listening, and Speaking papers in the Cambridge English exams:

- [Pre-A1 Starters, A1 Movers and A2 Flyers](#)
- [A2 Key for Schools, B1 Preliminary for Schools and B2 First for Schools.](#)

Watch [this webinar](#) to learn about these new guides and how to implement them in your classroom

# Mock test toolkit for teachers

Running a mock test gives your learners a true exam day experience, helps you understand their progress and decide if they are ready for their exam.

Our interactive mock test toolkits are full of tips, strategies and materials to help you ensure your students are confident and fully prepared for their exam.

Both our young learner and older learner toolkits are free and designed for teachers preparing students for Cambridge English Qualifications.

Download the toolkits [here](#) and learn more about them at this [recorded webinar](#)

# Pocoyo

You're never too young to start learning English! This simple idea inspired children's TV channel [Pocoyo](https://www.pocoyo.com/) and Cambridge English to create English language learning videos aimed at children aged 2–6.

[Pocoyo](https://www.pocoyo.com/) is the world-famous star of the series – he and his friends will help young viewers to take their first steps in the language learning journey. Our fun new videos stimulate children's curiosity through smart games and simple activities that have been specially designed by Cambridge English to help young children learn.

Visit <https://www.cambridgeenglish.org/learning-english/parents-and-children/activities-for-children/pocoyo/> to watch the videos and download our free activities

# Preparation Centre Newsletter

Get tips for preparing your learners for Cambridge English Qualifications, free classroom resources, marketing materials and more, delivered directly to your inbox every month with our newsletter.

As you return to teaching English in 2021, we're here to support you with lots of useful resources. Celebrate your learners' success with our virtual certificate ceremony resources and join our upcoming webinars to find tips and advice for exam preparation.

Click [here](#) to subscribe

This month, we're sharing our new candidate booklets packed with study tips and frequently asked questions to help your students feel fully prepared. Also, download our independent learning resources and learn more about our new dyslexia guides in an upcoming webinar.

## Tips for getting started with exam preparation

Preparing for our exams can give your students a sense of purpose, by creating certainty and motivating them in these uncertain times.

In our latest blog post, we'll guide you through five exam preparation tips to help get you started and ensure your students feel confident for exam day.

5 resources to help you start exam preparation

- ✓ Teacher handbooks
- ✓ Lesson plans
- ✓ Self-study and homework materials
- ✓ Classroom posters and activities
- ✓ Teacher webinars

# Virtual Certificate Ceremony

No matter where you are or what restrictions may be in place in your area, you can still celebrate your learners' exam success with our new virtual certificate ceremony materials. To help you host a memorable virtual ceremony, we've created a range of resources that you can use to celebrate your learners' achievements, including:

- an editable graphic to share with your students
- four background images to use on your chosen online platform
- a range of selfie stick props that you can print out from home
- an Instagram filter for students to show their English level.

## Celebrar el éxito de tu escuela

### Ideas para realizar una ceremonia de entrega de certificados virtual

Organizar una ceremonia de entrega de certificados virtual es una gran manera de celebrar los logros de tus estudiantes aún cuando la escuela esté cerrada o hayan restricciones de distanciamiento social en tu área.

Creemos un kit de recursos que puedes utilizar para organizarla:

- diseños de celebración para compartir con tus estudiantes
- 4 imágenes de fondo para aplicar en la plataforma virtual que utilices
- un filtro de Instagram para que tus estudiantes demuestren sus logros
- 2 videos para felicitar a tus estudiantes
- una variedad de diseños para imprimir y lucir durante la ceremonia

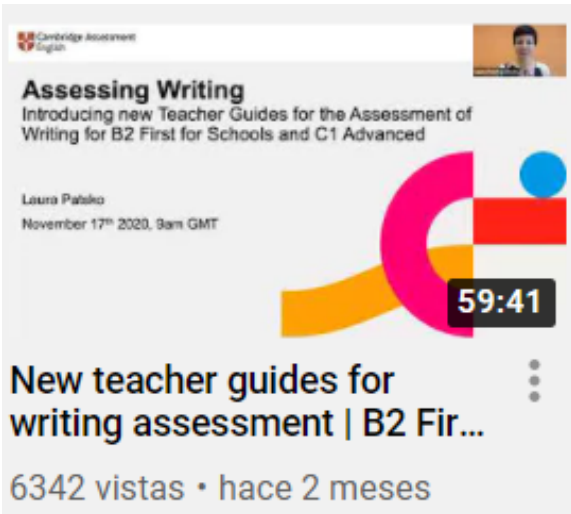

### Your signs

Cut along the dotted lines, simply attach to a lollipop stick and hold up during your ceremony. There are many props to choose from. Have fun on your special day!

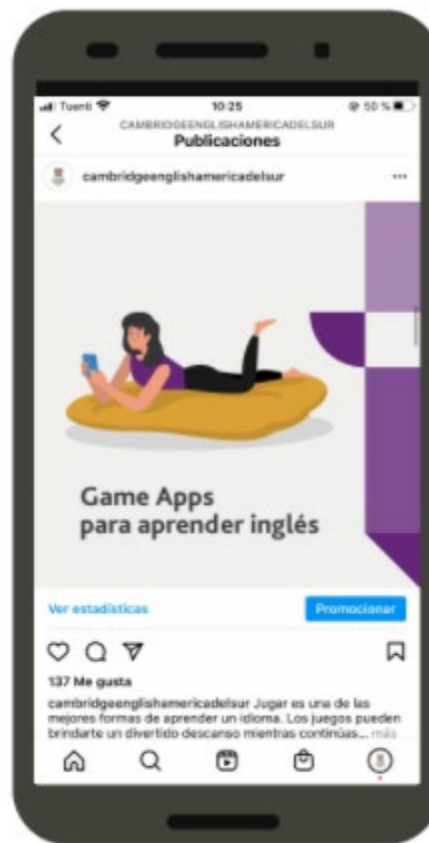

# Local social media channels

Follow us on our social media channels to access lots of free resources for teachers, learners and parents. Each channel focuses on a specific group and provides useful information about Cambridge Assessment English.
